

4-Drum Horizontal Steel Store-102.1095

Description – Fully compliant, fully bunded, robust, secure and easy to use stores. Our oil and chemical drum/IBC bunded storage units are designed to allow you to store either 205ltr drums, 1000ltr IBC or a combination of both, making them ideal for oil storage or chemical storage and they are backed by a 20 year structural guarantee. The base of this bunded store is manufactured from 3mm mild steel sheet with RHS cross members and pressed ribs. The corner posts, shelf frames and main rails are all made from rolled hollow section. The back, sides and door are pressed from 2mm mild steel sheet (corrugated as required for additional strength) while the roof is pressed with suitable bracing. The store is welded around the perimeter, fitted with crane lifting points, double hinged doors, high and low level louvre vents, the fully seam welded sump is fitted with removable mesh decking and the unit is shot blasted before being painted. A Hiab service is available for a no-hassle delivery! **Optional colours: Red RAL 3002 | Blue RAL 5019 |**

Green RAL 6029

Specs:
